The Nest Mother's Day Out

A ministry of Shelter Church, **The Nest** is a Mother's Day Out program designed to serve and minister to families of preschoolers on Tuesdays and Thursdays of each week from 8:30 am to 1:30 pm. This allows an opportunity for parents to run errands, go to appointments, homeschool older children, enjoy some leisure activities, or meet with friends while their children are in a nurturing, fun, and safe environment where they learn about God and the world He created.

At **Shelter Church**, we desire to minister to the whole family. We care about your family and wish to help you in any way that we can. We are always available to talk to you and to encourage you as you raise your children to grow to be godly young men and women.

CURRICULUM

Babies: 6-to 12-months

Little babies will be sung to, rocked, fed, and cared by a loving staff. They will be provided with toys to stimulate their play.

Toddlers: 12 to 24 months

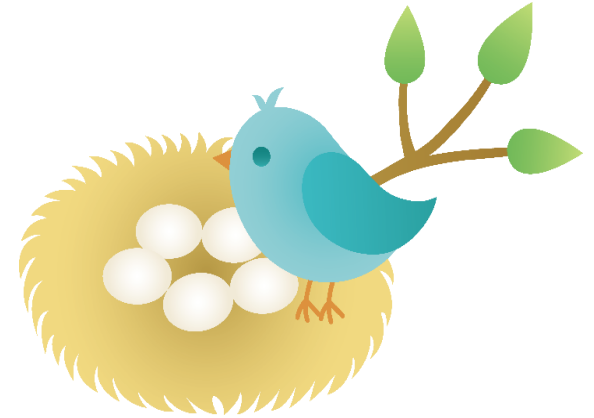

Toddlers learn about the world around them. They will be nurtured by our loving teachers and learn to play alongside other children. Toys, crafts, music, stories and play help them learn needed skills. Active play and nap time are a part of their day as well.

2's and 3's: 2- and 3-year-olds

This group will learn many skills that will be helpful to them in their coming school years. They are introduced to letters and numbers, hear Bible and other stories, learn to cut, paste, color, play with play dough, paint, and many other skills. Active play and music are a fun part of the day.

4's and 5's: 4- and 5-year-olds

This group will be more seriously prepared for entry into kindergarten. They will learn a letter and number each week, beginning writing skills, days of the week, and continue learning other skills through crafts, puzzles, games, active play, and music.

The Nest will have special events, days to celebrate, and in-house field trips throughout each semester. Parents will be provided with a calendar detailing these activities.

All of our classes are designed to point the children to Jesus Christ, as He is presented in God's Word, and to discover His work in Creation. We also desire that the children learn how to apply God's Word to their everyday lives.
